FTII STRIKE: Day 63

We appreciate the initiative taken by the Member of Parliament and Congress Vice President Shri Rahul Gandhi to visit the President of India along with a delegation today, requesting his intervention for resolution of the FTII issue. We hope that the President will intervene into our issue and take an initiative to resolve it in his capacity. We would also like to clarify one thing that no student's representatives of FTII were there in the panel of delegation who met the President. It was some misinformation which led some media to report so.

We would like to appeal all the other Members of Parliament to carry forward with the concern and try to help us resolve the issue in a more democratic fashion.
